(Neil Thomas)

Pull my string
I'm your marionette
And I'll do anything if you let me
If you need a lover here I am
And if you need a fighter I'll do the best I can
Since you left I've been a wreck
Now I'm walking these streets, ain't had no cigarettes
And I'm hungry
I think you know what I mean
These days my love is too few and so far between
Pull my string for some hugging
Pull my string for some kissing

Pull my string make my heart sing
Yeah it's been a long lonely time
Your sweet love I've been missing
And I know it might be old fashioned
But I need you, I need you
Show me some compassion
Pull my string
I'm your marionette
And I'll do anything for your forgiveness
If you let me I will sleep on your floor
And all you've got to do is ask me
I'll sneak out your back door
Pull my string
