"Letting You Go"

Drowning in a sea of feelings
In my mind I can't find peace
Living day by day with doubt
Because it's you that I can't reach

And our bond is getting stronger
While we see each other less
I can't take this any longer
Is it you who's got to confess?

It's okay if you let me down
It's okay but I hate the sound of letting you go
It's okay if you walk away
It's okay but I have to say I'm letting you go

Did you know this from the start
Did you know we would fall apart
All I want is just the truth
Is this the end of my time with you

It's the beat that's getting louder
'Cause I can't ignore the pain
My heart has such a power
But you left me with a ball and chain

It's okay if you let me down
It's okay but I hate the sound of letting you go
It's okay if you walk away
It's okay but I have to say I'm letting you go
