Oh to be a fly on your wall
Watching you change
Watching you change your mind
Over and over again
I will be laughing
You will be trying to figure out what would go best with
your figure
Trying to figure you out
As she puts on this front that I can't get around
So I'll just spin her round and round

Thinking maybe she might Be the one.
But this girl she's crazy
It's like dancing with a gun
And I can't find the safety
My legs refuse to run away

I'm the bang. She's the boom.
One day together we'll blow up the moon.
Match made in heaven well to hell with that.
Much too cool to admit we're a match.
And I just want to grab and hold her hand
But she throws it back oh
Why can't she understand that...

I'm Thinking maybe she might Be the one.
But this girl she's crazy
It's like dancing with a gun
And I can't find the safety my legs refuse to run
Oh wont somebody save me from this girl. From this
girl.

Yeh I am the bang
I am the bang
She is the boom
She is the boom
Yeh I am the bang
I am the bang
She is the boom
She is the boom

And I'm Thinking maybe she might Be the one.
But this girl she's crazy
It's like dancing with a gun
And I can't find the safety my legs refuse to run
Oh wont somebody save me from this girl From this
girl.
