Wandering all around town  
Trying to get down  
Well I don't ask for much  
Except from such and such

Well I, I surely don't know what happens to you when  
you die  
And the other side

Jump and scream and shout  
Let it all hang out  
'cause you don't have much clout  
And you don't know what you're talking about

Well I, I surely don't know what happens to you when  
you die  
And the other side  
Well I, I surely don't know what happens to you when  
you die  
And the other side

So rise up  
So rise up  
So rise up  
Well I, I surely don't know what happens to you when  
you die  
So rise up  
And the other side

So rise up  
Well I, I surely don't know what happens to you when  
you die  
So rise up  
And the other side

So rise up  
Well I, I surely don't know what happens to you when  
you die  
So rise up  
And the other side

So rise up
