Hey girl what's your name  
I think I caught you looking my way  
Do you wanna know  
How to get me all to your own  
Weekends work the best  
I'll pick the place you do the rest  
Hey know don't be shy  
But you got to keep me in line

Love at first sight  
Never thought it could happen to me  
But you made me believe

Kidnap my heart  
Take me with you  
Kidnap my heart  
Make my dreams come true  
Take me away  
Cause falling in love ain't very far  
Not far from the start  
Kidnap my heart

Can you get me up  
More fun I could ever dream of  
Could you tie me down  
Can you keep me hanging around

I don't wanna be  
Here to keep you company  
Put your hand in mine  
Gotta hold on tight for the ride

Love at first sight  
Never thought it could happen to me  
But you made me believe

Kidnap my heart  
Take me with you  
Kidnap my heart  
Make my dreams come true  
Take me away  
Cause falling in love ain't very far

Not far from the start  
Kidnap my heart

You gotta hold me tighter  
Cause I'm a real fighter  
Don't tear us apart

Love at first sight  
Never thought it could happen to me  
But you made me believe

Kidnap my heart  
Take me with you  
Kidnap my heart  
Make my dreams come true  
Take me away  
Cause falling in love ain't very far  
Not far from the start  
Kidnap my heart

Kidnap my heart

Kidnap my heart
