Torn all up inside
It'll end in suicide
Washed my...
Hands and cried.

Focusing on the pain
Running through my veins
It will...
Never end.

Your eyes, your hands
I let go of them
Your lips, I let go...
Of your kiss.

You say finally...
That you may need me
It's not the way I wanted
The more I see you
The more I'm defeated.
I'm defeated.

You shot me in the brain
Then make my heart beat again
It drives me insane

Think that I'm still in love with you
And now I don't know what to do

Your eyes, your hands
I let go of them
Your lips, I let go...
Of your kiss.

You say finally...
That you may need me
It's not the way I wanted
The more I see you
The more I'm defeated.
I'm defeated.

Your eyes, your hands
I let go of them
Your lips, I let go...
Of your kiss.

You say finally...
That you may need me
It's not the way I wanted
The more I see you
The more I'm defeated.
I'm defeated.
