

Farewell from the Gallows

"Meridians"

This is the man I was made to be.

These bridges that are so easily broken are rebuilding themselves.

Will you meet me in the middle so I can find myself?

Chorus:

Now you've drawn this imaginary line

cutting me off from you

(So what am I supposed to do?)

So what am I supposed to do?

I would give up everything to reach the heart inside of you

(To reach the heart inside of you)

I can honestly say it was never meant to end,

drawing these black lines;

plotting your jaded meridians.

Was it everything you wanted?

Was it everything you thought it'd be?

I am the one broken, who will piece me together?

(Chorus)
