Verse 1:

Wakes up in the morning
and he crawls out of his bead
tucks the G.I. Joe sheets in and
heads straight for the t.v. set

up late from the night before
he's been playing games on line
only time of refrence is the
light that shines in through his blinds

Chorus:

welcom to life
new age providence
motion picture in stereo
schivelrey's died
killed by modern times
all that remains video games
and t.v. shows

Verse 2:

Got kicked out of high school
when he was twent three
never graduated but he's
working on his G.E.D.

jack of many trades
attari, game boy, nintendo
first round draft pick every time
in partners for halo
