G-g-g-g-g-irl in my head

I'm obnoxious and no one's home
Cardboard boxes filled with hate
Nest of termites, they're glowing red
Faded smiles behind dark shades
Plastic icons, glowin' red
I experiment with myself
Look behind the glass
Try to find peace of mind
Under the weight of your wings
You are a god and whatever I want you to be
And I wonder if truly you are
Nearly as beautiful as I believe

[Chorus]

Girl in my head, I think of you
Girl in my head, I believe in you
Girl in my head, I compliment you on your looks
You've got all that I need
And this make believe will get me through
Another lonely night
In my head
Your voice
You've got all that I need

[Dizzee Rascal]

Should ever we meet on your side of your stereo
I will pretend I know not of your thoughts
And even the way that they mirror my own
I'll take you away in the way that you take me and go
where I go
Fall away to the sound of my heart to your beat
Melancholy and cool, kind of bitter sweet
Love on repeat
I'm echoing all your philosophies
And as I fall away to the sound of my heart to your beat

[Chorus]

Girl in my head, I think of you
Girl in my head, I believe in you
Girl in my head, I compliment you on your looks
You've got all that I need
And this make believe will get me through
Another lonely night
In my head
Your voice
You've got all that I need

[Dizzee Rascal]

Under the weight of your wings
I make believe you are all that I'll ever need
Under the weight of your wings
I make believe you are all that I'll ever need
Under the weight of your wings
I make believe you are all that I'll ever need
Under the weight of your wings
I make believe you are all that I'll ever need
Under the weight of your wings
I make believe you are all that I'll ever need
Under the weight of your wings
I make believe you are all that I'll ever need
Under the weight of your wings
I make believe you are all that I'll ever need
Under the weight of your wings
I make believe you are all that I'll ever need

[Chorus]

Girl in my head, I think of you
Girl in my head, I believe in you
Girl in my head, I compliment you on your looks
You've got all that I need
And this make believe will get me through
Another lonely night
In my head
Your voice
You've got all that I need

[Dizzee Rascal]

I make believe you are all that I'll ever need
Under the weight of your wings
I make believe you are all that I'll ever need
Under the weight of your wings
I make believe you are all that I'll ever need
I make believe you are all that I'll ever need
Under the weight of your wings
I make believe you are all that I'll ever need
Under the weight of your wings
I make believe you are all that I'll ever need
