[Verse 1]

One scare, one scare
Frank Griffin, Sryan
Do you know what I am?
Do you know what I hate?, yes
Do you know why I'm scared?, yes
Frank! Chao at them like

They don't believe in Jesus
But instead an eight-day miracle of oil
But today is the day
We can really hate it
I am not a spic, I am not a jew
And I'm lonely
I am not a paki, I am not a chink
And he doesn't want to know
Yes oh oh, oh oh
And I don't discriminate, you take the heat
Yes oh oh, oh oh
I hate you all equally, I hate you all the way
Let me hear you go

[Chorus]

Baby I hate it
The way she moves on the dancefloor
Baby I hate it
She won't give some more
Oh yes I hate it
Singing like never before
Baby I hate it
I, I, I hate it

[Verse 2]

The whole native colony

It's all lies out the gate I snuck up fast,
I'm losing everything that I thought would always
last
So now I lie waiting for a cure
To this poisoned and diseased
Mind I thought that had my back

Iâ€™ve been falling apart
Self distractive at heart
Itâ€™s ok, it's ok if you hate me
Yes oh oh, oh oh
And I don't discriminate, you take the heat
Yes oh oh, oh oh
I hate you all equally, I hate you all the way
Let me hear you go

[Chorus]

Baby I hate it
The way she moves on the dancefloor
Baby I hate it
She won't give some more
Oh yes I hate it
Singing like never before
Baby I hate it
I, I, I hate it

[Verse 3]

Am I blind?
Iâ€™m letting myself slip away
Iâ€™m losing every chance I get to keep myself the
same
So now I hide I keep my secrets locked inside
Iâ€™ll severe out the truth so the world can see my lies

Woke up to find you weary,
Left hand was in the red room,
My, my our thoughts were black then,
So does it make a difference you,
Always by my side, always by my side.

Espere a que las razones para el cambio,
SÃ© que no es mejor
SÃ© que no es mejor

Such change of heart
Now I can't stand to be around you
I can't bear to be this near to you

Keep doing it baby, doing it baby
Just keep on dancing along
Keep doing it baby, doing it baby
Until you're done

The whole native colony

[Chorus]

Baby I hate it
The way she moves on the dancefloor

Baby I hate it
She won't give some more
Oh yes I hate it
Singing like never before
Baby I hate it
I, I, I hate it

Baby I hate it
The way she moves on the dancefloor
Baby I hate it
She won't give some more
Oh yes I hate it
Singing like never before
Baby I hate it
I, I, I hate it

The (oh yes I hate it) whole native colony
Oh yes I hate it
The whole, (oh yes I hate it) native colony
