[Verse 1]

Ohhhh ohhhh ohhh ohhhh

Oh, her eyes, her eyes
Makes me wanna go away from her
Her hair, her hair
Makes me look like a fool
She's so unattractive
And I tell her every week I don't wanna love you
Yeah

I know, I know
She compliments me but I ignore her
And it's so, it's so
Through the years she could've been with some
else
Never did anything to show

[Chorus]

When I see you (you you)
There's a thing that I would change
Cause you're horrifying (horrifying)
I hate the way you are (are)
And when you smile
The whole world stops looking at you
Cause girl you're horrifying (horrifying)
I hate the way you are (are)
Yeah

[Verse 2]

Her lips, her lips
Have too much make up and don't wanna kiss them
Her laugh, her laugh
I hate her humour laugh and it's so stupid
She's so unattractive
And I tell her every week I don't wanna love you

Oh you know, you know, you know
I'd ask you to change
You need to look perfect
Then have a makeover

Through the years she couldâ€™ve been with some
else
Never did anything to show

[Chorus]

When I see you (you you)
There's a thing that I would change
Cause you're horrifying (horrifying)
I hate the way you are (are)
And when you smile
The whole world stops looking at you
Cause girl you're horrifying (horrifying)
I hate the way you are (are)

The way you look
The way you look
Girl you're horrifying (horrifying)
I hate the way you are

[Chorus]

When I see you
There's a thing that I would change
Cause you're horrifying (horrifying)
I hate the way you are (are)
And when you smile
The whole world stops looking at you
Cause girl you're horrifying
I hate the way you are
Yeah
