Profaner of the vices, a simple charlotten  
Inflaming puerile minds with the guilt of sin  
Imaginations fed to children, it has served me well  
That the bowels of the earth hides the pits of hell

Idolatrine for the imbeciles  
Idolatrine  
Idolatrine for the debiles and the simpletons  
Disciples of the watch awaits at my command

Existance as a human has leadeth them not to me  
When all desires drown in pure sanctimony

Idolatrine for the imbeciles  
Idolatrine  
Idolatrine for the debiles and the simpletons  
Disciples of the watch awaits at my command

Suffer little children to come unto me  
Suffer little children to come unto me  
Suffer little children grant me sovereignty  
Suffer little, little, princes and princesses

Idolatrine for the imbeciles  
Idolatrine  
Idolatrine for the debiles and the simpletons  
Disciples of the watch, waits at my command

Suffer little children to come unto me  
Suffer little children to come unto me  
Suffer little children grant me sovereignty  
Suffer little, little, princes and princesses
