There have been too many
That have felt the pain of your hands
Raining down on them like fire
With uncontrollable rage
In your mind there is no mercy
You've only got hate and despair
Everyone who is now around you
Has the question

Why do you feel this way
This need to hurt
This need to hate
With nothing to say
Open your eyes
They've been closed for so long
Stop your blind life
Unclench your fists
It's time to move on

Now your silence shoots right through me
Like a bullet through my heart
I can see the rage is building

For reasons nobody knows
The anger consumes you
Now you're falling faster away
And I ask you

Why do you feel this way
This need to hurt
This need to hate
With nothing to say
Open your eyes
They've been closed for so long
Stop your blind life
Unclench your fists
Its time to move on

Why do you feel this way
This need to hurt
This need to hate
With nothing to say

Open your eyes
They've been closed for so long
Stop your blind life
Unclench your fists
Its time to move on
