I said I'm sorry
That you're so sad
And I'm so happy
Should I be guilty for me life
And what you don't have

Your letter's indicate a broken place that you call home
Late nights and drunken fights are all you have to call
your own

My heart shatters (it shatters)
When I talk to you
And listen to your tragedies
And your tears fall (your tears fall)
Do I even notice them?
Push it to the back of my mind
Push it to the back of my mind

Please write me daily
A letter signed in tears
A diary of your fears.
I'll come home monthly
As often as I can
So we can be hand in hand

Your letter's indicate a broken place that you call home
Late nights and drunken fights are all you have to call
your own

My heart shatters (it shatters)
When I talk to you

And listen to your tragedies
And your tears fall (your tears fall)
Do I even notice them?
Push it to the back of my mind
Push it to the back of my mind

Dark times won't last forever
There's a brighter place
I know its real, I've been there with you
When you're falling

Who will catch you
who will pick you off the ground?
In your dreams do you see me
You know that I'll be there with you

Is it better now that I'm gone?
Is our house still a home?
So you've reached ...
When the only place to go is home

My heart shatters (it shatters)
When I talk to you
And listen to your tragedies
And your tears fall (your tears fall)
Do I even notice them?
Push it to the back of my mind,
Push it to the back of my mind.
