Hello, hello, hello (world, world) (x2)

Can't be doin' this
Can't be doin' that
All I wanna do is lay back
Can't be sittin' on a leather plaid sofa
Brushin' up my loafers, tryin'a make tracks

All I wanna do is talk to you
The girl outside my window
Bet you got a greater story
Than the one that's on HBO

Can't be doin' that
Can't be doin' this
All I wanna do is swim with the fish
Can't be layin' on a leather plaid futon
Lookin at my Loubitons, actin' like a b*tch

All I wanna do is hear the sea
Hear it come crashing over me
Bet it's got a greater story
Than the one that's on the BBC

Hello, hello, hello, world (world)
You're mine and I am yours
Everywhere I go
You are so beautiful

Hello, hello, hello, world (world)
And all of your people
Everywhere I go
You are so beautiful

H-E-L-L-O to the world
You are BE-A-U-tiful (x2)

Tell me who you are
Tell me what's your name
Tell me 'bout the place from which you came
I can see it in your eyes

you're a beauty
and it is my duty
to pick your brain

Come and lay under the stars with me
Let your eyes go crazy
Put your hands deep in the green grass
Forget about your sad TV

Lift your head up, head up to the sky
Tell me that is not the prettiest sight
Tell me you can find a greater painting
Than the one that surrounds us daily

(h, Oh, Oh) You and me
(Oh, Oh, Oh) The sky and sea
Every mountain, every stream
Baby, thats my ecstasy.

Hello, hello, hello, world (world)
You're mine and I am yours
Everywhere I go
You are so beautiful

Hello, hello, hello, world (world)
And all of your people
Everywhere I go
You are so beautiful

H-E-L-L-O to the world
You are BE-A-U-tiful (x3)
You are BE-A-U-tiful (x2)

Hello, hello, hello, world (world)
You're mine and I am yours
Everywhere I go
You are so beautiful

Hello, hello, hello, world (world)
And all of your people
Everywhere I go
You are so beautiful

H-E-L-L-O to the world
You are BE-A-U-tiful
H-E-L-L-O to the world
(Hello, hello, hello, world, world)
You are so beautiful

H-E-L-L-O to the world
You are BE-A-U-tiful

H-E-L-L-O to the world
(Hello, hello, hello, world, world)
You are so beautiful

You are so beautiful!
