As I laid in bed last night
I thought about what it would be like to kiss you
The first time I saw your eyes
My mind can't erase it, I already miss you

Is it the way you walk or that sexy body?
All of the above
So let me pull you close
I don't want nobody
Girl, I'm already yours

Something so beautiful (beautiful)
It feels so incredible (incredible)
And baby you're wonderful (wonderful)
You're something so beautiful to me

So sexy I know you'll like
Everything that I'm gonna do
There's something about tonight, yea
But I can't keep my hands off you

Is it the way you walk or that sexy body?
All of the above
So let me pull you close
I don't want nobody
Girl, I'm already yours

Something so beautiful (beautiful)
It feels so incredible
And baby you're wonderful (wonderful)
You're something so beautiful to me

Baby you don't have to wonder
You know that you're my everything
'Cause baby there ain't no other
That can do what you do to me

Something so beautiful (beautiful)
It feels so incredible (so incredible baby)
And baby you're wonderful (wonderful wonderful)
You're something so beautiful to me (so beautiful to

me)

Something so beautiful
It feels so incredible (incredible)
And baby you're wonderful (wonderful)
You're something so beautiful to me
