I'm a soldier  
I haven't slept in five years  
And I have dark circles under my eyes  
Haven't seen them myself  
But so I've been told  
I'm a soldier  
And I have no head (\*)  
They have beated it off with their boots  
Yo-o-o, commander shouts  
Commander's mouth is teared open  
Because a grenade...  
White cotton wool  
Red cotton won't heal a soldier

I'm a soldier  
Unborn child of war  
I'm a soldier  
Mom, take care of my wounds  
I'm a soldier  
Soldier of a country forgotten by God  
I'm a hero  
Tell me of which novel

Oh..oooh..

I'm a soldier  
It vexes me when I have only one bullet left  
It's either me or him  
The last wagon  
Moonshine  
There are millions of us  
In the UN  
I'm a soldier  
And I know my job  
My job is to shoot  
So that the bullet doesn't miss  
The ennemy's body  
This reggae is for you Mother-War  
Are you happy now?

I'm a soldier

I'm a soldier  
Unborn child of war  
I'm a soldier  
Mom, take care of my wounds  
I'm a soldier  
Soldier of a country forgotten by God  
I'm a hero  
Tell me of which novel
