fifteen years in the jail

fucking gays with cock
scape, now i'm free
as hard, must serve

a pretty mouth around
My hot cock, letting taste

drinking in the bars
drunk, condom to the list
i came with a whore
she told me that she is a prostitute

blowjobs by 20, ass by 100
i don't care, my balls you are going to suck

now there you have, now whore.
suck it

oh what a good blowjob,
take off your skirt let me see that ass,
What is this? it's a cock

fucking fag misleading
i'm gonna put you on a fallout
by dressing like a woman
i'm gonna cut your balls and your dick

bleeding, crying, castrated you are,
i'm taking your money and your wig

dead to my feet fall this guy
running, the police search me again
behind in the jail, i fell again.
by life i'm without a pussy to fuck

fucking fag misleading was a whore with dick
