### "Jesus Please"

Visit "[Jesus Please](#)" on [MotoLyrics.com](http://MotoLyrics.com)

JESUS Please shine your light me.  
Abba FATHER, I need strength from thee.  
For I'm dead when from you I'm apart  
Let the DAYSTAR rise up in my heart.

Let living water wash me from within.  
Baptize me with fire that purifies from sin.  
Your WORD within my heart satisfies my soul.  
Getting to know YOU better is my only goal.

For I hunger for you.  
Yes LORD, I'm thirsty too.  
You said those that hunger for your will shall be filled.

JESUS please shine your light on me.  
Yes LORD make my blind eyes see.  
LORD I open my heart to you.  
Help me LORD I'm thirsty too.

JESUS please shine your light on me.  
JESUS please shine your light on me.  
Help me see LORD, help me see.  
JESUS please, shine your light on me.

For I hunger for you.  
Yes LORD, I'm thirsty too.  
You said those that hunger for your will shall be filled.

JESUS please, shine your light on me.  
JESUS please please, shine your light on me.

For I hunger for you.  
Yes LORD, I'm thirsty too.  
You said those that hunger for your will shall be filled.

JESUS please shine your light on me.  
Yes LORD make my blind eyes see.  
LORD I open my heart to you.  
Help me LORD I'm thirsty too.

JESUS please shine your light on me.

JESUS please shine your light on me.  
Help me see LORD, help me see.  
JESUS please, shine your light on me.

JESUS please, JESUS please
