If you're wondering why, the crime rate is so high.
If you're wondering why, there's social upheaval, I'll tell
you why.
The condition of our world, is at the point of moral
decay.
There's no telling when we could reach the end, it
could happen any day.

You see this whole world is lying in darkness, and does
man have the cure?
Will the wisdom of man and all of his plans, cause this
planet to endure?

JESUS says..
Who has an ear let him hear.
JESUS says..
For these things there's judgment on man.
JESUS says..
I come quickly, all the world will fear.
JESUS says..
The time is at hand.

There's more to life than meets the eye, time and
chance happen to all.
Cause we'll never learn to live with each other,
the whole world's got fall.
We'll never learn to come together, to share in each
other's needs.
There will always be those,
who'll continue to live, in their murders, thefts and
greed.

You see your lust to make a dollar, is the reason for the
worldwide strife.
Because you value a small piece of paper,
more than you do another man's life.

JESUS says..
Can you have peace without the PRINCE OF PEACE.

JESUS says..

Will it prosper without THE CHRIST.
JESUS says..
A strong delusion instead you will receive.
JESUS says..
You'll believe the lie.

Be conformed to HIS image and leave this world
behind.
Take HIS yoke upon you, be transformed in your mind.
He's preparing a place for those, who have come to
know and love HIM.
For those that are found, in HIS perfect will, when HE
comes again.

You see the thing that a man loves, that's where his
heart is.
But love of the world is against God,
you've got to lose your life if you want to live.

JESUS says..
I come and my rewards with ME.
JESUS says..
I've sent my Angel with these WORDS.
JESUS says..
I'll give to every man as his work shall be.
JESUS says..
So know what you've heard.

JESUS says..

Behold, I come.
