There's a wise man in the mountains, and He's on my mind.

In a world that is confused, HE speaks of peace that I must find.

He says..

Hate hurts the hater, it can eat like a disease.

Let every man share his rewards with a needy few.

Live in peace with everyone, let your conscience rest at ease.

This is what you are placed here to do.

All along the journey, of a man's life.

This is the way that it should be.

All along the journey, of a man's life.

Open your eyes and you will see.

A man of understanding spoke these words to me.

Get wisdom from the Lord there will be nothing you can't be.

With all your getting, get understanding in your life.

Show some love for the other man, today.

Love, peace and happiness, can be found at the end of the fight.

Time is precious but it will soon be gone away.

This is the journey, of a man's life.

This is the way that it should be.

This is the journey, of a man's life.

Open your eyes and you will see.

The SPIRIT OF GOD was heavy on what HE had to say.

For the instruction of this man was right in every way.

HE said..

Wisdom is the key to accomplishment,

But you must seek it with your heart.

It is better to give than to receive.

Let's all work together everyone has got to do his part.

What's important is what remains when you leave.

So is the journey, of a man's life.
This is the way that it should be.
So is the journey, of a man's life.
Open your eyes and you will see.
