Won't be no letter boy
I won't waste time to write
Won't be no domestic calls
cause baby you ain't worth a fight

I'll leave the key in the mailbox
My ring will be by the phone
You just sit there and wait forever and think that I'm
gonna call

But you'll be wrong, wrong, wrong
I'll be gone, gone, gone
So far gone, you're never gonna hear this song

Won't change my cell phone number
I'm only gonna block your calls
Try to dial til your fingers bleed
You won't hear my voice at all

Check the eggs in the hen house honey
I'll be livin' off your dime
Somewhere the sun is hot
And if you think you'll cross my mind

You'll be wrong, wrong, wrong
I'll be gone, gone, gone
So far gone, you're never gonna hear this song

One slip and down the hole you fall
Boy you better hunt that rabbit down
Too late to try to come back a crawlin'
I'll be a ghost in this town

I'll leave the key in the mailbox
My ring will be by the phone
You just sit there and wait forever and think that I'm
coming home

But you'll be wrong, wrong, wrong
I'll be gone, gone, gone
So far gone, you're never gonna hear this song
