If I can get a ride to London, gonna catch me a
Greyhound
Take it all the way to Dayton, just to find out where I
was found

Got a number for my grandpa, got a picture of my dad
Neither one ain't never seen me, now Mother ain't that
sad

But you don't have to take me in, I ain't no little kid
And you ain't gotta love me, just tell me why you never
did

Got some money in my pocket, got an ocean full of
dreams
Got my whole life in this locket, 2 most handsome boys
you've ever seen

You ain't gotta feel so bad, just cause we look like you
And you don't have to look so sad for all the things you
didn't do

You don't have to take me in, I ain't no little kid
And you ain't gotta love me, just tell me why you never
did

Was I the cage, or was I the key that let you fly away
Now won't you be my pretty bird, be my pretty bird and
sing along with me

Can't nobody break my heart, that I ain't never loved
So you ain't got no worries there, just seeing you is
enough

Is that my sister and my brother there hangin on the
wall
I bet they both would really like me if they knew about
me at all

I just want a little time to learn about myself
Just tell me where I come from I swear I don't want

nothing else

You don't have to take me in, I ain't no little kid
And you ain't gotta love me, just tell me why you never
did
