"Silence on Silence"

Visit "[Silence on Silence](#)" on MotoLyrics.com

I'm not back on the other side with you

Dreaming in the night of the faces that crowd in your
solitude

Wading in the typing pool drowning the things you
thought you knew

Making your concessions accepting that sometimes
you can not choose

And you realize there's nothing left to say

I'm not back on the other side with you

Waiting for replies in the mail and beyond to be sent to
you

Fate is in the cards so you bet all your chances on
solitude

Waging of the silence on silence and reaching for
substitutes

And the words and plans fell through your hands too
soon

I'm not back on the other side with you
