Baltimo' City, New York City  
You are now rockin' to the sounds of ya girl Little Mo  
You can't hate on me

Cuz I just wanna chill and take a ride  
Shot gun in ya 7-45  
Oh baby you know I got ya back, and I need to feel you  
next to me  
We got a baby and you know that I  
would have another, man I want ur child  
Sometimes I really wanna cry, cuz the love is so good

Boy, if you really love me now  
Can we walk down the aisle?  
Cuz you, know I'm gonna hold you down  
Cuz when you was down and out  
I was still around  
You gettin' money now, but I still got love for you

If you fell off tomorrow you could stay at my crib  
If you didn't smell so good I still would have ur kid  
If you got locked up I'd put money on ur books  
I'd marry you through congical visits and it'd be off  
the hook  
You could still keep the hoopty if you couldn't cop a  
Benz  
Boy I'd never dip out like some of ur friends  
If the boys try to get you I'd be by ur side  
You might flee if I'm set it off and you know I'll  
ride  
If you gotta peel a cap baby, do it papi  
And if a chick wanna a piece of me I know you got me  
You have to work at Mciedie's or Burger King I'd be  
there for you cuz I know we gotta eat  
I ain't got too many friends, you know that bay  
If you use ur tongue baby I'll behave  
You know I don't drink cuz I wanna have ur baby  
Cuz I'm ur girl and them other chicks is maybe

Boy, if you really love me now  
Can we walk down the aisle?

Cuz you know I'm gonna hold you down  
Cuz when you was down and out  
I was still around  
You gettin' money now, but I still got love for you

If you only knew how I feel
