New York City,
You are now rappin'...
Wit 50 Cent,
Ya gotta love it

I just wanna chill and twist a lot
Catch suns in my 7-45
You drive me crazy, shorty I
Need to see you and feel you next to me
I provide everything you need and I
Like your smile, I don't wanna see you cry
Got some questions that I gotta ask and I
Hope you can come up with them answers babe

-Nate Dogg-

Girl... It's easy to love me now
Would you love me if I was down and out?
Would you still have love for me?

Girl... It's easy to love me now
Would you love me if I was down and out?
Would you still have love for me?
(Girl...)

If I fell off tomorrow, would you still love me?
If I didn't smell so good, would you still hug me?
If I got locked up and sentenced to a quarter-century
Could I count on you to be there to support me
mentally?
If I went back to a Hoopy from a Benz,
Would you poof and disappear, like some of my
friends?
If I was hit and I was hurt would you be my side?
If it was time to put in work would you be down to ride?
I'd get out and peel a nigga cap to chill and drive
I'm asking questions to find out how you feel inside
If I ain't rap 'cause I was flip burgers in Burger King
Would you be ashamed to tell your friends you're
feeling me?

In the bed, if I use my tongue would you like that?
If I wrote you a love letter, would you write back?
Now we can have a little drink, you know a Nightcap
And we can go do what you like, I know you like that
