[50 Cent:]

Nights like this  
I wish  
Rain drops would fall a all  
5 heartbeats left  
One last deep breath  
Freeze

[Verse 1: 50 Cent]

I got a 16 shot Ruger I got 16 cars  
All over how I write 16 bars  
Ja, Joe and Jada they're fuckin' retards  
I run Interscope oh oh my god  
Your stuff I'll make it hot  
You want I'll get ya shot  
[gunshots over vocals] your coffin'  
You're dead men walking  
Now when I'm out in London they say I'm so smart  
I fired rounds from pounds I came up so hard

[Chorus: 50 Cent]

I been around the world and aiya ya ya  
Must be goin' crazy  
Cause I'm still down to get down to let off rounds  
I'm loadin' up my 380  
I can't wait 'till I see death

[Whoo Kid:] (Damn!, Bring it back)
