Verse1: It's been five months since you went away lost
without a word
and nothing to say. When I was the one who gave you
my heart and soul
but it wasn't good enough for you ooh no so I ask god

Chorus: God sent me an angel from the heavens
above, sent me an angel
to cure my broken heart from being in love, cuz all I do
ooh oooooh
is cry, god send me an angel to wipe the tears from my
eyes.

Verse2: And I know it might sound crazy but after all that
I still loved you
you wanna come back in my life but there's something
that I have to do I
have to tell the one that I once adored (They can't have
my love no
more) my heart can't take no more lies and my eyes are
all out of tears so
god

Chorus

Now you had me on my knees begging god please (to
send you back to me)
I couldn't I couldn't sleep and you made me feel like I
could not breathe
and, all I wanted to do was feel your touch and to give
you all of my
love (all of my love) but you took my love for granted all
my love now
but you can't have it oh god

Chorus

OutroX2

(Send me an angel) oh oh god... send me, god send
me an angel to
wipe the tears from my eyes Send me an angel from

the heavens above
send me an angel god send me an angel to wipe the
tears from my
