[Intro- 50 Cent]

She loves me
She loves me not
Yeah she loves me not

[Verse 1]

The fiends need me, I ain't around, they bones ache
Detox, rehab, cold sweat, watch 'em shake
I'm not that genie in a bottle, I'm in a bag
Take one hit, and slide off to the land of 'H', man
When we first met, I thought you'd never doubt me
Now you tryna leave me, you'll never live without me
Girl, I'm missin' you, come and see me soon
Tie your arm up, put that lighter under that spoon
Now put that needle to ya arm princess, stick it in
Relapse! You're back bitch! don't ever try that again!
All that shit I did for you, I made you feel good
We have a love thing, you treatin' this like it's just a
fling
What we have is more sacred than a vow or a ring
You broke my heart, you dirty bitch I won't forget what
you did
If you give birth, I'll already be in love with your kids
Listen, I don't give a damn if your ass start smokin'
But we have a bond and it's not to be broken

[Chorus thingy 2 times]

We got a love thing girl you try to leave me
But you need me, can't you see you're addicted to me
We got a love thing, I can take you higher girl
Fuckin' with me, you can be all you can be

[Verse 2]

Baby you know, on the low your sister be eyein' me
I'm good lookin', so you know, soon she be tryin' me
I heard she bisexual, she fuck with that girl
But boy, oh boy, fuckin' wit me is a whole 'nother world
After that first night, she fell in love, then chased the
feelin'
I hung out with Marvin when he wrote "Sexual Healing"
Kurt Cobain, we were good friends, Ozzy Ozbourne too
I be with rock stars, see you lucky I'm fuckin' with you

I chilled with Frankie Lyeman and Jimmy Hendrix crew
See this is new to you, but to me this ain't new
I lived a lavished life, listen if the mood is right
Me, you, and your sister could do the do tonight
I never steer you wrong, if you're hyper I make ya calm
I be the incentive and reason for you to move forward
Let's make a date, promise me you'll come and see me
Even if it means you have to sell ya mama's TV
I love you, love me back, no one said lovin' me'd be
easy

[Chorus thingy x2]

We got a love thing girl you try to leave me
But you need me, can't you see you're addicted to me
We got a love thing, I can take you higher girl
Fuckin' with me, you can be all you can be

[Verse 3]

I love you, I got you barefooted on glass, chasin' a
dove
That monkey on your back, symbolizes my love
Your friends talk bad about me bitch, you sit there and
listen to 'em
Over and over you hurt me, my love is unconditional
They talk to you when you up, you down they got
nothin' to say
But when you call, I'll come runnin', I'll always take the
pain away
They set you up, to let you down, they crowned you
prom queen,
They know about me - behind your back, they call you a
fuckin' fiend
Can we just be alone, so I can kiss and hug you
Plus, me beside you, no other man can loves you like I
do
Call me daddy, I'll make you feel good, I mean real
good
I found pleasure in pleasin' you, like a real man should
It was written long before, ?it was carved in a tree
Forever me and you baby we were meant to be
There's more to life than laughter, what brought us
together was fate
And we'll be hand in hand, when you walk through
those pearly gates
And to see to that, I'ma do whatever it takes

[chorus thingy x2]

We got a love thing girl you try to leave me
But you need me, can't you see you're addicted to me
We got a love thing, I can take you higher girl
Fuckin' with me, you can be all you can be
