I can't wait till tonite will turn it out baby
Take her to a different world
Get her baby girl
I pick you up at eight
You can call it the first date (Get em Baby)
We gonna have some drinks on me its my treat
You ain't gotta pay (Haha)
Take her arse down town
In my bentley drop top show you all around
Later when you get back you can show how we live
Then she take it all sooner she's definitely in the
crib
Chorus:
You're so sweet, come see me
I'ma give you what you need
you can be my bitch, you can be my bitch
you can be my bitch, you can be my bitch
I'm take you to my spot jump on top
I'ma give you everything you got
You can be my bitch, you can be my bitch
You can be my bitch, you can be my bitch
My girl got a girlfriend I call her play thing
Why would I complain she's everything to me man
We match together perfect
Isn't this amazing, isn't this amazing
Back massage Minaj, they turned on I'm hot
Great sex latex I'm playin my part
Penetration over fixation, no camera taping
We're making the headboard shaking until its
damn near breaking
Now I can tell you from the get go, so you know how

This thing I got with my bitch is so ill, when I mean its
mental

And if you not in a hurry and me is to get you
Right we get in the crib, Step right here
But you know this is, You can be my bitch (Haha Yeah

Got a jet waiting on the run way baby
I'll be gone for a while, I'm leaving you in

And I go back and know how is just going down
And be back up in this bitch passing all around
You want me to just play my role
