Have a baby by me, baby be a millionaire,
Have a baby by me, baby be a millionaire,
Have a baby by me, baby be a millionaire,
be a millionaire, be a, be a millionaire.

Be my girl, be my girl, I got a position for you,
Be my girl, be my girl, if you want baby i'll
support(sport) ya,
Don't worry I'll make you my new girl,
Get with me cause you need a new boy,
Will you be, will you be, tell me would you be,
Will you be my girl?

First is her neck, yeah, then her back,
Me and my freak I didn't know all that,
Girl I perform for ya, like a porno star,
Till ya had enough, then I just need a lil' bit more,
New music, new move, new position, new erotic sounds
is going down now listen,
I can hear ya heart beat, ya sweatin',
I can paint a perfect picture, I get deeper and deeper
I told ya... just the way you like it baby
Turn a quickie into an all-nighter maybe,
Your sex drive, didn't match my sex drive,
When we be movin' this fast it's a nascar ride,
Switchin' gears slow down, go down, woah now,
My time baby... is so crazy.

Chorus:

Be my girl, be my girl, I got a position for you,
Be my girl, be my girl, if you want...

Don't worry... keep...
Will you be, will you be, tell me would you be
Will you be my girl?

I have a conversation, this is celebration,
Let's toast... effect that I moved out my basement...
down town
I see drink wine,
We could have split this whole thing off fifty fifty
But I'm at the fourty fourty getting...

Mister... manage you are... put alcohol
I started with, but I'm addicted
...

Chorus:

Be my girl, be my girl, I got a position for you,
Be my girl, be my girl, if you want...
Don't worry... keep...
Will you be, will you be, tell me would you be
Will you be my girl?

Have a baby by me, baby be me near,
Have a baby by me, baby be me near,
Have a baby by me, baby be me near,
Baby be me near.

[Chorus:]
