[Verse 1: 50 Cent]

Big money, big things

Big wrist watch, big diamond rings

My niggas love when the club be off the chain

Ya'll front they'll make you niggas take of them chains

You can run 'till the hollow tips hit ya frame

Hang on for ya life manye

A little candy paint, a little bit of chrome

Some woodgrain a nigga money long

Call shots in this bitch like a boss should

What the fuck I want in your hood?

I cruise through ya strip ridin' real slow

I'm not shootin' but I can and I will though

Said I cruise through ya strip ridin' real slow

I'm not shootin' but I can and I will though

[Chorus: 50 Cent]

Bitch what you know about?..
Grippin' fo' fo's

Bodies start droppin'

At your front door
Niggas really don't want war
Talkin' and walkin'
You'll meet your coffin
Ain't no stoppin'
When the Glock get to poppin'
Bitch niggas runnin', screamin' and hollerin'
Want to see what its like when you get shot?
Want to get jacked for ya iced out watch?
My tour bus filled up with guns I ain't tryin' to go out like
Big and Pac

[Chorus: 50 Cent]

[Verse 3: Spider Loc]

Check ya ho
Check ya dough
Hate the game, but respect it though
Cock and blow
Let that go
Otherwise the Tec will blow
In other words ya neck will know
What it feels to have a exit hole
Them guns will make a nigga dumb turn him into a
vegetable
I ruined mines
Doin' lines
My little niggas usin' nines
Spittin' rhymes
But I flip a bird
Feelin' like i'm losin' time
Got to get it all
I'm with it all
Been there, done, and did it all
And what I saw was niggas fall
Once the young whore get the call

[Chorus: 50 Cent]

Bitch what you know about?..
Grippin' fo' fo's
Poppin' fo' fos
Pimpin' them hos
Nigga what you know about?..
Gettin' that dough
Pushin' that blow
Sippin' that Mo
Bitch what you know about?..

Bitch what you know about?..
Grippin' fo' fo's
Poppin' fo' fos
Pimpin' them hos

Nigga what you know about?..
Gettin' that dough
Pushin' that blow
Sippin' that Mo
Bitch what you know about?..
