[Outro - Talking]

You n-ggas in trouble man

I woke up this morning, feeling like the old me

I swear to God man

Everytime I say something, it's hot

This shit just come outta me man

They say I work just what I am

I'm an artist, Dont waste your time being a critic

Because I'm critically acclaimed muthaf-cker

Around the World, I'm 1 of 1

There will never be another me

I'm a perfectionist striving for perfection

50 Cent, f-ck with me, G-g-g-g-g-unit
