i return, stronger than ever  
i get the creepin in the trollin so this is gettin fallin  
now we can hit them with the clipper wicked 38 revolver  
then you can understand what i'm sayin when i'm sayin  
i'm all in  
so if you fuck em with the police you niggaz better  
callin'  
dial 911, tell'em i got a gun,  
i come through, put that pressure on'em  
wear that smith & wesson on'em  
damn it i came i cop you fellin' go see a lot  
six shot body rock and they drop burning hot  
bleed nigger bleed till you start feeling cold  
you know you niggers really don't serve a purpose  
unless you learn to follow all these then become  
workers  
if you ask me you're just taking up space  
i won't hesitate to smack fire at your face

i get the creepin in the trollin so this is gettin fallin  
now we can hit them with the clipper wicked 38 revolver  
then you can understand what i'm sayin when i'm sayin  
i'm all in  
so if you fuck em with the police you niggers better call  
dial 911, tell them i got a gun,  
i don't give a fuck, i'm also stop  
hide in a burf, then they put it work  
i cut through into your face, see your teeth through  
your cheek  
seconds before you start to leak all over the street  
nigger  
your peoples is pussy i mean your homies is stun  
it's a good time to run before i get to my gun  
i hit the ashes that you see them i strip hop and the  
dash  
hit the corner out the window, boy i pop at your ass

i get the creepin in the trollin so this is gettin fallin  
now we can hit them with the clipper wicked 38 revolver  
then you can understand what i'm sayin when i'm sayin  
i'm all in  
so if you fuck em with the police you niggers better call

dial 911, tell them i got a gun,  
50 till it's nothing left  
i'ma keep going till there's nothing left  
call this 13 out of 13 motherfuckers, hahahahah  
i'm just playing with niggers man  
when yo all hear what i got, oh my god, hahahaha  
i can feel it, the earthquake is coming  
Damn its tsunami, damn! Lyrics By
