I'll have you spending all you got
Keep going 'til you hit the spot (woah)

[Verse 1: 50 Cent]

You can have it your way, how do you want it
You gon' back that thing up or should i push up on it
Temperature rising, okay lets go to the next level
Dance floor jam packed, hot as a teakettle
I'll break it down for you now, baby it's simple
If you be a nympho, I'll be a nympho
In the hotel or in the back of the rental
On the beach or in the park, it's whatever you into
IGot the magic stick, I'm the love doctor
Have your friends teasin you 'bout how sprung I gotcha
Wanna show me how you work it baby, no problem
Get on top then get to bouncing round like a low rider
I'm a seasons vet when it come to this shit
After you broke up a sweat you can play with the stick
I'm tryin to explain baby the best way I can
I melt in your mouth girl, not in your hands (ha ha)

[Chorus]

[Bridge: 50 Cent & Olivia]

Girl what we do (what we do)
And when we do (and when we do)
The things we do (things we do)

[Verse 2: 50 Cent]

Are just between me and you (oh yeah)
Climb on top, ride like you in the rodeo
Give it to me baby, nice and slow
You ain't never heard a sound like this before
Cause I ain't never put it down like this
Soon as I come through the door she get to pullin on
my zipper
It's like it's a race who can get undressed quicker
Had me thinking 'bout that ass after I'm gone
Isn't it ironic how erotic it is to watch em in thongs
I touch the right spot at the right time
Lights on or lights off, she like it from behind
Boy one taste of what I got
I'll take you to the candy shop

[Olivia]

Keep going 'til you hit the spot (woah)
Go 'head girl, don't you stop
I'll let you lick the lollypop
I take you to the candy shop
[50 Cent]

[Chorus: 50 Cent & Olivia]

So seductive

Uh huh

Yeah...

[Intro: 50 Cent]

So seductive, you should see the way she wind
Her hips in slow-mo on the floor when we grind
As Long as she ain't stoppin, homie I aint stoppin
Drippin wet with sweat man it's on and popping
All my champagne campaign, bottle after bottle it's on
And we gon' sip til every bubble in the bottle is gone

[Chorus 2x]
