I'm hood, I'm so hood, I'm ghetto like a motherfucker
[x2]

I had a five hundred pack 14 grams of powder
On the phone with my connect should last about an
hour...
I need work, I repeat, I need work.
My nigger's go bizzurk, when the drought come get
murked'
When no money coming in is when the guns come out
Why the d's wanna sit in front of my momma house,
You know It's sort of like some shit you seen in a flick
Black nine extended clip as long as my dick
They say I'm grimmey, yeah fuck it I line niggers
I show them where your shit at before they take mine
nigger
Don't take it personal, it's just how I grind nigger
Figure, this is a dog eat dog world, man
Ebony enemy today I'm tryin' duck I got that [?]
Her head'll make you kill a motherfucker (don't stop)
I mean you gotta feel it man
She bob and weave up and down you'd be like "I could
just kill a man"
I don't fuck with them niggers from her projects
They're on section eight but niggers cars are straight
They ain't out in the day time them niggas's roaches
I don't stop down there if I ain't got the toasts'
I'm in the six four five hard top, not the drop
Leanin', I see them niggers schemin', dream on
Touch me, shit I wish a nigga would
I'll have my niggas deep, I have them light up the whole
hood.

I'm hood, I'm so hood, I'm ghetto like a motherfucker
[x2]

They said I fell off, my benz was on the repo truck
Around the same time niggas spot start gettin' stuck
I say 'I ain't know none about nothing'
I'm on the low, niggers really know me for stuntin'
I pull through on low pros, wrapped around deep
dishes

That crack money handsom, your bitch blowin' me
kisses
You need to check her if you think she could be the
Misses, damn
I'm starting think you can't trust nobody
I hold my own strap, they ain't gotta hold that for me
And slide by my baby mamma crib with the mac homie'
My sister's cousin in a car crash died
She said 'don't drink and drive', I say 'just drink, don't
drive'
I had a morphine dream I got heroine ambitions
I see money cooking in that coffee pot in the kitchen
When I say I'm straight, I mean I'm straight
Once the razor hit the plate I double up the cake (hey)

I'm hood, I'm so hood, I'm ghetto like a motherfucker
