I make 'em move
I make 'em move
I make it hot up in here
Look around, see what we got up in here

Bring 'em in, kick 'em out, bring 'em in, kick 'em out
Bring 'em in, you ain't freakin', we ain't speakin', bitch
Bring 'em in, kick 'em out, bring 'em in, kick 'em out
Bring 'em in, it's Dr. Dre, 50 Cent, trick

Bring 'em in, kick 'em out, bring 'em in, kick 'em out
Bring 'em in, you ain't freakin', we ain't speakin', bitch
Bring 'em in, kick 'em out, bring 'em in, kick 'em out
Bring 'em in, it's Dr. Dre, 50 Cent, trick

They said we couldn't do it, look now, I did it
I topped 'In Da Club', I'm still sippin' the bubb'
The drama, I'm widdit, I get biz, you get it
I breezed on that shiddit, I split your widdig

That's why a nigga bit it, I can't forget it
I said I didn't do it, witnesses said I did it
I'm fresh out on bail, my Benz is all kitted
Five TVs, my rims is so siddick

I cruise through your bitch and just fall in love with it
Baby, come in, girl, I wanna give it to you
Once I'm in, the sound, I'm a freak with it
Money come quiddick, hot shit, I spit it

G-Unit kitted, blue New York fitted
Shorty wanna cut, oh yeah, I'm with it
She come to my hotel room, she know she gon' get it
It's exercise, my homey he been waitin', he next to ride

Bring 'em in, kick 'em out, bring 'em in, kick 'em out
Bring 'em in, you ain't freakin', we ain't speakin', bitch
Bring 'em in, kick 'em out, bring 'em in, kick 'em out
Bring 'em in, it's Dr. Dre, 50 Cent, trick

Bring 'em in, kick 'em out, bring 'em in, kick 'em out
Bring 'em in, you ain't freakin', we ain't speakin', bitch

Bring 'em in, kick 'em out, bring 'em in, kick 'em out
Bring 'em in, it's Dr. Dre, 50 Cent, trick

People always talkin' 'bout my reputation
I don't love 'em, I don't need 'em
I don't love 'em, I don't need 'em, I don't love 'em
I don't care what she do with him
It's all good with me, so ooh

Yeah, they can't do it how I do it, I'm number 1, I knew it
I thug, do my thang, and gangsters bop to it
It's hit after hit, damn, I'm on the road
I'm like James Brown now, man, I got soul

Naw, I ain't a pimp but hell yeah, I got hoes
I was born due to this, when I breathe I make a killin'
You think I'm bullshittin', my money touchin' the ceiling
Can't buy condos, I'm buyin' the whole buildin'

I'm pissin' the wrong women, R. Kelly do it to children
You bet against me, boy, I'ma hurt your feelings
'Cause over and over I'ma keep on winnin'
My Rolls Royce tinted, your Phantom rented

That's why we never ever, ever see you in the hood with
it
Man, e'rybody know, like anywhere I go
When 50 in the club, shit just go out of control
You can blame it on Em or blame it on Dre, okay

Bring 'em in, kick 'em out, bring 'em in, kick 'em out
Bring 'em in, you ain't freakin', we ain't speakin', bitch
Bring 'em in, kick 'em out, bring 'em in, kick 'em out
Bring 'em in, it's Dr. Dre, 50 Cent, trick

Bring 'em in, kick 'em out, bring 'em in, kick 'em out
Bring 'em in, you ain't freakin', we ain't speakin', bitch
Bring 'em in, kick 'em out, bring 'em in, kick 'em out
Bring 'em in, it's Dr. Dre, 50 Cent, trick
