[Intro:]

Yeah!

[Bridge:]

You see a nigga soft? - My first instinct is to lean on him! (lean on him...)

A weak nigga eatin' in my hood? Niggas'll put a beam on him! (beam on him...)

These niggas ain't s'pposed to be eatin', yo! - This sweet is sweet an' low,

I'll have 'em like shit was all good just a week ago.

([Female:] Lights ooooooon!)

[Verse 1:]

Let this fake niggas get you in the mood for looove,
I'm back to get you in the mood for the Snub and gloooves.

Dope fiend, morphine, cocaine dilemma;

Crack come to cookin' up that; boy, I'm a chemist!

Fuck pill poppin'! A strap, I pop that!

Watch the Henchman trial, see a rat rat on a rat!

You got a nice gimmick goin', you've been hot a few summers

But I got the kinda flow that'll stop World hunger.

SK, I got nothing but energy! (energy!)

Call me Fifty, call me "Ferrari The Remedy"! (Remedy!)

"Hi" again in case a hater don't remember me,

I happen to be what these rap niggas here pretend to be.

Hittin' you won't be enough, you gotta finish me

Or it's Ruger time, - the SR-9!

Fragments ricochet in ya ass go blind

Times up, ya fucked! - Gotta learn to duck. - Whassup?

[Chorus:]

Don't maake mee, - don't maake mee,

Don't maake mee! - It seems so complicaated.

Don't maake mee, - don't maake mee,

Don't maake mee - show you whassup. - Don't make me fuck you up!

[Verse 2:]

Listen! E'ry bitch on the milk box ain't missin'
I mean some of these hoes runnin' round with Pippen.
I'm writin' reality, it sounds haaarsh;
Shyne tried to get at me, he sounds waaashed!
I ain't even fire back, the shit's squuaashed.
What kind of shit is that? - This only happens in rap!
These niggas so fake, it make my skin craaawl,
Hope I ain't the last real nigga up over the waaall.
Ice chunks in the chain, - weight spinnin',
Cream linen. - Bulges from the Benjamin's in 'em!
Tom Ford? - Oh, Looord!
If I ain't know better, I think a nigga push raaaw.
It feels like it's never gon' stop.
A nigga so hot! - I may spend forever on top!
"Forever ever"? - Forever in the drop,
You can't tell I got it on lock? - Bitch!

[Chorus]
