[50 Cent]

She aint that chick from the burbs thats a Stranger to
the drama
She that uptown girl with the cocky persona
Went out a way to let her know that i want her
I tell her I, know fo' sho we belong togetha
And i wouldn't break her heart my intentions are betta
And i shared the same dreams she had about chedda
When the D's came she was down to hold the berretta
I got a thing for baby girl
It's me and her against the world
Whooooo

[Justin Timberlake]

You were my sun
You were my earth
But you didn't know all the ways I loved you, noâ€¦
So you took a chance
And made other plans
But I bet you didn't think that they would come crashing
down, noâ€¦

You don't have to say, what you did,
I already know, I found out from him
Now there's just no chance, for you and me, there'll
never be
And don't it make you sad about it

You told me you loved me
Why did you leave me, all alone
Now you tell me you need me
When you call me, on the phone
Girl I refuse, you must have me confused
With some other guy
Your bridges were burned, and now it's your turn
To cry, cry me a river
Cry me a river-er
Cry me a river
Cry me a river-er, yea yea

I know that they say
That some things are better left unsaid

It wasn't like you only talked to him and you know it
(Don't act like you don't know it)
And all of these things people told me
Keep messing with my head
(Messing with my head)
You should've picked honesty
Then you may not have blown it
(Yea..)

You don't have to say, what you did,
(Don't have to say, what you did)
I already know, I found out from him
(I already know, uh)
Now there's just no chance, for you and me, there'll
never be
(No chance, you and me)
And don't it make you sad about it

You told me you loved me
Why did you leave me, all alone
(All alone)
Now you tell me you need me
When you call me, on the phone
(When you call me on the phone)
Girl I refuse, you must have me confused
With some other guy
(I'm not like them baby)
Your bridges were burned, and now it's your turn
(It's your turn)
To cry, cry me a river
(Go on and just)
Cry me a river-er
(Go on and just)
Cry me a river
(Baby go on and just)
Cry me a river-er, yea yea

[Timbaland]
Oh (Oh!)
The damage is done
So I guess I be leaving
Oh (Oh!)
The damage is done
So I guess I be leaving
Oh (Oh!)
The damage is done
So I guess I be leaving
Oh (Oh!)
The damage is done
So I guess I be... I-I-I-leaving

[Justin Timberlake]

You don't have to say, what you did,

(Don't have to say, what you did)

I already know, I found out from him

(I already know, uh)

Now there's just no chance, for you and me, there'll
never be

(No chance, you and me)

And don't it make you sad about it

Cry me a river

(Go on and just)

Cry me a river-er

(Baby go on and just)

Cry me a river

(You can go on and just)

Cry me a river-er, yea yea

Cry me a river

(Baby go on and just)

Cry me a river-er

(Go on and just)

Cry me a river

(Cause I've already cried)

Cry me a river-er, yea yea

(Ain't gonna cry no more, yea-yea)

[50 Cent]

Your smile make my day

It's simple your dimples

Your eyes your lips your thighs got me hypnotized

Communications deep i love it when we talk

Hatin' when you leave but when you leave I love to
watch you walk

You make a nigga forget about a life full of drama

She got expensive taste, she get it from her momma

Materialistic, still a nigga want her

Consistently missin' her touch when she gone

She smell like Chanel she feelin' me and I can tell

With the right woman by my side I feel like I cant fail

I been around been up and down my attitude is fuck
her now

She a rider i feel like heaven when I'm inside her

Workin' up a sweat kissin' on her neck

12 play in the deck 4 play correct

Have her drippin' wet

She looked in my eyes and said she liked it but i knew
she loved it

I just keep doin' what I'm doin' and think nothin' of it
