"Die At An Early Age."

Visit "[Die At An Early Age.](#)" on MotoLyrics.com

Why do we die at an early age? Our street is full of drive-by's and gansters of the wall. Shooting two pockets of paintballs. Some say they run the streets and we brush they fucking fore-head. What the hell happened to you? The red buick down the street is ready 4 action staring at my dipped dung.

Chrous

So why don't you die at an early age, ja

50 cent

Stay out the way we using the g- unit while doing it. We running in to the beat Coming out the heat. Foo we here for a reason.

To kick yo ass.

Repeat 1st paragraph
