[50 Cent:]

Oh

Oh

Oh

GGGGG G Unit

Yeah

Its 50 Cent

And Lloyd Banks

And Tony Yayo

Nigga ha ha

You got to love it

New York City

[Chorus: 50 Cent]

I've been doin' my own thang

You can tell by the stones on my neck and my wrist and
my ears i'm doin' my thang

I said I've been doin' my own thang

You can tell by my Benz by my BM and my Hummer
damn i'm doin' my thang

[Verse 1: 50 Cent]

MY chain is so heavy

I think its necessary

For me to talk about all of the stones in my bezey

I used to push a Chevy

I rather cop a Bentley

And stunt on these niggas 'till my tank on empty

This gangsta shit is in me

The money I got plenty

I still hustle what I don't cop jewels from Benny

50 is so witty

50 is so high

50 got the fuckin' hood on lock

[Chorus: 50 Cent]

I've been doin' my own thang

You can tell by the stones on my neck and my wrist and
my ears i'm doin' my thang

I said I've been doin' my own thang

You can tell by my Benz by my BM and my Hummer
damn i'm doin' my thang

[Verse 2: Lloyd Banks]

When i'm knockin' ya down no one can save ya
From the other side of the door it sounds like you goin'
through labor
My passport valid so i'm goin' through Asia
Flyin' to Paris stoppin' in Britan
Shoppin' and shittin'
If you ain't jumpin' off in the truck you walkin'
We got frozen hearts
Get on the bus like Rosa Parks
My name poppin' so i'm higher than the price
Bet you I could make enough money to buy you a knife

[Chorus: 50 Cent]

I've been doin' my own thang
You can tell by the stones on my neck and my wrist and
my ears i'm doin' my thang
I said I've been doin' my own thang
You can tell by my Benz by my BM and my Hummer
damn i'm doin' my thang

[Verse 3: Tony Yayo]

I got so many hos that my pimp game lasting
The only time I don't fuck is in the Ace Captain
You look at the watch you have a hard time seeing
I got so many rocks they have a hard time breathing
See the cross on my neck
Hos want to know whats the cost on my neck
First she said no now she almost said yes
Now we in the telly and we both butt neck
Workin' up a sweat

[Chorus: 50 Cent]

I've been doin' my own thang
You can tell by the stones on my neck and my wrist and
my ears i'm doin' my thang
I said I've been doin' my own thang
You can tell by my Benz by my BM and my Hummer
damn i'm doin' my thang

[50 Cent:]

Yeah nigga
You know its me when i'm cruising through ya
motherfuckin' hood and shit nigga
Don't try to act like you don't know its me and shit
You know what i'm sayin'?
I ain't put no tints on the motherfucker so you can see
me nigga
If i'm a spend 125,000 dollars on some wheels I want
you to get a good look nigga

Yeah look at me
Look at the license plate
The license plate say "Get One" nigga
Can you get one nigga?
