[Chorus-50 Cent]

When it's on you better, Get-Get-Get-Get-Get down
Get-Get-Get-Get-Get down
I pull out you better, Get down
I let off you better, Get down
Get-Get-Get-Get-Get down, Get-Get-Get-Get-Get down
When it's on you better, Get Down
I pull out you better, Get Down

[Verse-50 Cent]

You know it takes 7 days and 6 nights before i get right
I get Puffy then i lean on him, put that beam on him
You proably heard Ma\$e tried to join the team
Cuz Puffy's too busy selling pimple cream
What Puff sell next is Maybelline
Or dance next to Joc to try to get hot
This is the quiet before the storm, the warning before
it's on
50 back on that shit, 50 finger to flip

[Tony Yayo/(50 Cent)]

They don't do it like this, concentrate on the wrists
I got see-thru rocks on a Chronoswiss
I got rich real quick, now im sippin on Cris'
Its T-O-N-Y, G-Unit is the clique
On the back the clip, that's the hammer on the pound
So you better (Get-Get-Get-Get-Get down)
Im on the Greyhound, and now im on the run
Cuz i aint doin time for no damn Murder - One

[Chorus-50 Cent]

When it's on you better, Get-Get-Get-Get-Get down
Get-Get-Get-Get-Get down
I pull out you better, Get down
I let off you better, Get down
Get-Get-Get-Get-Get down, Get-Get-Get-Get-Get down
When it's on you better, Get Down
I pull out you better, Get Down

[Verse-Hot Rod]

When i roll thru the hood, man it's all good
These hoes Get Down when i show em my wood

Niggas Get Down cuz they knowin they should
And when them thangs spit rounds, they flow thru the

If yous a hard nigga, you feelin you gotta prove it
I run with the Unit, please man don't do it
Act tough now, you have to duck down
You hit the lotto last week, you outta luck now nigga

[50 Cent]

The strawberry deck could be the same color the Drop
You can see a nigga clear when i flip down the top
Sunlight hit the watch, you see the shit down the block
Anything colored VS, my shit right
My shits is Diamonds, yours boltonites
I know ya plan was to fake it till you make it
But ima blow ya ass up, lets face it

[Chorus-50 Cent]

When it's on you better, Get-Get-Get-Get-Get down
Get-Get-Get-Get-Get down
I pull out you better, Get down
I let off you better, Get down
Get-Get-Get-Get-Get down, Get-Get-Get-Get-Get down
When it's on you better, Get Down
I pull out you better, Get Down
