Now you've been watchin' me (me)

So I decided to (to) just come and talk to you (you)  
Ain't tryin' to run no game, (no game)  
just wanna know your name (name)  
And by the smile that's on your face  
I see you feel the same  
So can I talk to you (you) and maybe after school  
(school)  
I could walk you home (home) if that's cool with you  
(you)  
And then later on (on) I'll call you on the phone (phone)  
And then I'll make you mine  
by singin' you this little song

Hush little lady, don't you cry  
bet that I could show you  
how to have a good time  
Like me and you playin' after school  
On the weekend, at the skating rink'll be cool

Hush little lady, don't you cry bet that I could show you  
how to have a good time

Anything that you want I can give, give it to you  
So what's it gonna be (be), is it gonna be you and me  
You gotta let me know (know), don't keep me hangin'

Tell me what I gotta do (do) to get it through to you  
I want you to be my baby, so
