[50 Cent]

Nigga, Nigga i got hoes

[Chorus-50 Cent]

I got hoes
Im the one to committ to a girl, from what a pimp come
in drive to the world

There's so many places to see and things to do when
ya fuckin with me
I got hoes
Every kind of bitch you like, come to the crib we gonn'
party tonight
I got hoes
I got big ones, tall ones, small ones
I got thick ones, thin ones, call one
Tell her come on over i'll spoil her, and break bread

[Verse-50 Cent]

She can have blonde hair, blue eyes, vanilla thighs, im
with it
Overseas, Japanese, rape to please, i get it
Yea up in the Israel the pussy is real
A bitch strap a bomb to the pussy and kill
I have freak bitches in Greece, Greek bitches in Niece
You can hear me from the next room 50 a piece
Call me Long John Silver, i breast stroke, back stroke

Had a mixed bitch, half black, half hawaiiin
Half the time she told the truth the other half she was

Yea i fucked models in London, they sold the story

Please believe me, ima P-I-M-P
My dick shakin and makin a bitch look enzy
Its my G man, i mean my flow so hot
