I like the way she do it  
I like the way she do it  
I like the way she do it  
I like the way she do it

I said I like the way she do it, she put her back into it  
Then she drop it low, to gets the dough  
I said I like the way she do it, she put her back into it  
Let her ass drop, like my '64

I said I like the way she do it, she put her back into it  
Then she drop it low, to gets the dough  
I said I like the way she do it, she put her back into it  
Let her ass drop, like my '64

I'm supposed to blow, you supposed to know  
Not to go against me or it's R.I.P  
I'm stupid rich, got retarded money  
I'm special ed, I got special bread

It's easy now, please believe me now  
I dismiss a hoe, bitch leave me now  
I fuck when I want, I do what I like  
She want the same chick I want, the bitch is a dike

She a super freak, the freak of the week  
I give her something to suck, she give her something to  
eat  
It never enough, she like it rough  
We keep it going and we switch positions, listen

I like the way she do it  
I like the way she do it  
I like the way she do it  
I like the way she do it

I said I like the way she do it, she put her back into it  
Then she drop it low, to gets the dough  
I said I like the way she do it, she put her back into it  
Let her ass drop, like my '64

I said I like the way she do it, she put her back into it

Then she drop it low, to gets the dough  
I said I like the way she do it, she put her back into it  
Let her ass drop, like my '64

I need a dollar every time that my heart beat  
Now how much was that?  
I can breathe on a track and make money  
Hhh, hhh, now how much is that?

I'm getting money baby, my truck a Lamborghini  
I'm in Ali B-B, where the girls are freaky  
Haters wanna be me, hoes glad to see me  
Ma, I love it when you lie and say my eyes are dreamy

Certain niggaz fall in love with a bitch  
Patron in my dick, I fuck the blood out a chick  
I'm in the club frontin', I'm in the club stuntin'  
Ten grand buy the bar, Ma, it ain't nothing

If homegirl wit it, I'ma get it, hit it, split it  
She'll think about me every day, hour, minute  
Second to nobody, baby, check it  
You look as good as a check

And when you're naked, I'm ready to fuck, a little head  
in the truck  
If her tongue getting good, I'ma let her come up  
And when the sun goes down, I'll be back in the town  
Stash box down with the mack in the pound

I'm with G-Unit, c-unit  
Nigga you're not ballin' on a G2 jet  
Everything you wanna ever do you need D  
O-P-E, on a fucking CD, it's me

I like the way she do it  
I like the way she do it  
I like the way she do it  
I like the way she do it

She got a nigga on the countdown  
Waitin' on it like, 3, 2, 1, yeah right now  
You got skills in them high heels  
When we leave this club, I'ma take you where I live

Do me before I get up  
I might eat out tonight depending on how I feel  
Baby girl got a thang for me  
She do whatever I say and I ain't gotta make it rain  
money

Go get it then she ghetto with it  
Told shawty, don't do it, but she already did it  
I'm all on her back, when she move like that  
You can find me wherever she at, like yeah!

I said I like the way she do it, she put her back into it  
Then she drop it low, to gets the dough  
I said I like the way she do it, she put her back into it  
Let her ass drop, like my '64

I said I like the way she do it, she put her back into it  
Then she drop it low, to gets the dough  
I said I like the way she do it, she put her back into it  
Let her ass drop, like my '64
