Son you smell that? What's that?
I smell pussy. Is that you Irv?
I smell pussy. Is that you Ja?
I smell pussy. Is that you Black?
I smell pussy. Is that you Tah?
Y'all niggas is pussy
I'm ballin' now nigga now watch me (watch me)
Ain't nothin' you can do to stop me (stop Me)
You niggas get so emotional (emotional)
You remind me of my bitch.
It's not in my nature to make a commitment so let me
breathe,
But she doesn't understand catch attitudes when I
leave her (leave her)
Like being on probation makin' it harder for me to
except her
as my own she tries to tie up my phone and (phone
and)
I'm not at home she's thinkin' that I'm not alone
probably out tryin' to bone anything in the street
I let her know she can leave I ain't tryin to tie her up but
see
it's hard to fuck with somebody after she touches me
mami
I'm not your regular nigga I know the game (I know the
game)
But I don't play by the rules I'm focusin' on my moves
that way I'll never lose
See I can tell by your shoes if you attracted to Benz's
with 22's
Say I confuse you play little tricks with your head
Catchin' feelin's ever since the first time I slept in your
bed
I'm not here to tease you mislead you or mess up your
dreams (nah)
I can't say I love you I dont know what that means
I'ma pimp.

[Chorus: (x2)]

Girl you know I like it when you climb on top
Love muscles feel tighter than a headlock

And you know I love the way you make the bed rock
Take me to extasy without taking Extasy

[Verse 2:]

When I first met her
I did anything to get her (what?)
Paid all her bills and filled the 'fridgerator (uh huh)
Reminisclin' on late nights when I try to lay up
but couldn't get off cause your baby would stay up
She even crashed the whip tryin' to switch in the third
lane
That's when I realized this bitch was a bird brain
A pigeon writin' her baby pops in the box in the prison
Sing-sing is where he biddin'
She in the Gucci tights and Findi high heals
Baby wipes and cans of Infamil
Moter bike and grams of fish scale
It's a 9 to 5 niggas with no frills
Turnin' young niggas with princables to old men with
debts
And all the prank calls was death threats that bitch had
the best sex
All across the globe and the bitch head game was out
of control

[Chorus: (x2)]

Girl you know I like it when you climb on top
Love muscles feel tighter than a headlock
And you know I love the way you make the bed rock
Take me to extasy without taking Extasy

[Verse 3:]

I'm wonderin' when I'm gone if you'll miss me (miss
me)
or do you miss the Don Perion and the Cristy
I'm fuckin' with you
I'm feelin' your shape I'm feelin' your eyes
Later on I'm feelin' your ass and feelin' your thighs
(come here baby)
Sweet heart your book smart and street smart (uh huh)
I knew you was my type from the very very start (yeah)
I'm into tongue kissin' and four play all day
Mama ain't home so the noise is okay
O.D.B you know he like it the raw way
Latex safe sex no hickeys on the neck
Now you learnin' (whoop)
The Lords blessin' makes me wiser as the world's
turnin'
My tongue touch the right spot have your toes curlin'
Whether we're just kickin' it or sexin' (uh huh) I'm a pro
baby girl I spit game to perfection (Yeah)

So when niggas make mistakes I correct them and
When niggas get out of line I check them man

[Chorus: (x2)]

Girl you know I like it when you climb on top
Love muscles feel tighter than a headlock
And you know I love the way you make the bed rock
Take me to extasy without taking Extasy
