### "I'll Do Anything"

*[Intro: 50 Cent]*

This for the bitches nigga  
I'll do - I'll, do, anything for you  
I'll do, anything you want me to (I'll do do do-do do do do)  
I'll do, anything (anything for you)

*[50 Cent]*

Me? I done been around the world six times (uh-huh)  
A bad bitch in every part of the world's been mine  
(yeah)  
But you can change me, baby you can change me  
Oh shit, look, I'm already not the same, see? (ha ha)  
Shorty you make me feel brand new  
I'm not runnin game girl, I swear you do  
You're too cold to hold and too hot to handle  
Me and you girl, there's nuttin we can't do  
You like girls, I like girls too, we got somethin in  
common  
Now how the hell could that be a problem?  
Shorty let's laugh, let's dance, let's drink, let's fuck  
Right here, right now, shit, we only live once  
I should not be reprimanded, I cannot be blamed  
My lust on level 10; I'm tryin to get it in  
I'll have you cummin down your candy walls  
Get it wetter than Niagara Falls 'til you climax, that's all

*[Chorus: 50 Cent]*

They think, I'm a fool  
Cause I'd do so many things, for you  
I'll, do anything... I'll, do anything  
But they don't know the reason  
It's why I do all the things I do for you  
I'll, do anything... I'll, do anything  
I'll do

*[50 - over Chorus]*

Yeah yeah yeah  
I do a lot bitch!  
Ha ha...

I mean you should be in fuckin love with me  
Look all this fly shit you got

*[50 Cent]*

I keep a bad bitch on deck (uh-huh)  
We retro drinkin, yeah sippin Moet  
Look man - my shawty got ass for days  
I smack it, sit and watch it wave (uh)  
When it's stress on my brain, the head games relax the  
pain  
So good I get to buyin her thangs  
Like tennis bracelets and chains, studs and diamond  
rangs  
I'm givin her the finer thangs  
That's why she don't complain  
I kinda got her open mayne, I stroke that thang  
On different ends of the globe  
We international now, whoa

*[Chorus]*

*[50 - over Chorus]*

Yeah, yeah  
You know niggaz sayin I'm crazy, right?  
It's cool though  
They don't know how we get down baby  
Y'know?

*[Outro: 50 Cent]*

That's me and you, you know? (I'll do)  
They ain't supposed to understand it (I'll do do do-do  
do do)  
You know I say some shit I ain't supposed to say  
but you know how I feel (I'll do)  
I should be a asshole whenever I feel like it (I'll do)  
After - look at the shit I bought you man (I'll do do do-  
do do do)  
C'mon man, don't give me no headache man  
You a bitch when you on your period, right? (I'll do)  
Don't come at me with that bullshit man  
(I'll do, I'll do do do-do do do)  
Do anything for you girl!  
I'll do... anything
