[INTRO]

Yeah,

This is gonna hurt you this time

Gone see if y'all niggas can survive to second round

You said what?!

It's over boy!

It's like a Murder Inc clearance sale  
>

[CHORUS]

Ask about me

They tell you I'm an animal, an animal

You touch one of mine I react like an animal,  
an animal

They say I have no conscience

I'll kill if I have to, y'all

They say I'm an animal

Sometimes a nigga cross the line and he got to go

Move on him like an animal

Nigga don't talk to me if you ain't in my bracket

100 mil, that's 60 after taxes

I was a little dirty nigga flipping my mattress

Sneakers fuck up til I started pumping packs, kid

Beefin' with the older niggas getting my ass kicked

Bought a little .380 I stopped all that shit

Back on that bullshit you know I've been on

Riding with the same 9 Tre used to kill Bon

Niggas dead serious, niggas though we was playin

Picture me laughing in the crib after Tre shot Wayne

Southside ain't southside without the team

Niggas starving I feed em they'll ride for me

When feds come, nigga shit gets funky

Irv love Preme he fittin' to be his bunkee

In a park full of kids, I pop of the mack

They see the flare from the nozzle and scatter like rats

I know the police is listening, this is for the D's

Me and Star was cool & I ain't hit Cheese

Signed a deal and made a mil before Bags got shot

Made 20 more 'fore Tah-Tah got knocked

Man this rap shit is me B, I got this locked

Treat it just like the block workout non-stop  
I dazzle with the footwork, maneuver with the heat  
Think boy or get your brains left in the street  
Yeah the Stick-up Kids say ité`¥æ³ out the tax,  
But I get your shines back for you homie, relax  
I send my little shooters right at 'em with Gats  
Hit 'em so hard they gonna send that back  
You know I know who ran up in your crib  
The first thing they do is holla at the kid  
They say 50 fucked with us man, we poor need work  
They need niggas like us to do their dirt.

[CHORUS]

Ask about me  
Theyé`¥æ³ I tell you lé`¥æ³ an animal, an animal
