Yo Yo Yo  
You didn't know I was comin  
Till you saw the cops comin  
While I was comin  
In my girl she aint did nuthin  
They fuckin took her like she was thiers  
The ran down the stairs  
Then I pulled up my underwheres  
I ran after them  
They had her in the pen  
Barking like a dog with open arms  
Tellin me to come save her  
Its the middle night lame-o  
I dont think I could help ya  
Even if I was yo savior  
(chorus)  
You aint worth it to me  
Hey Mudd was here  
You aint worth it to me  
Hey Mudd was here  
Pass me a beer x2

You saw me walkin down the street  
Stompin my feet,  
to ma own beat  
Didnt give a shit  
But ma shoes was shinin  
Hoes was linin, up  
To give ma dick a suck  
Gave every bitch a pluck  
As I hit my fuckin pocket book  
Dont tell me you cant hear me or see me  
I know you see me  
You be dancin in the street and  
Lookin at me like shit man haha  
(Chorus)  
Yo dis is 50  
young man  
New plan  
Fuck ppl up like Jackie Chan  
I was drivin ma van  
Gave your chink as wip lash

Gave ma ass a slap  
From your whip  
You rockin me good  
Bed bout ready to break  
I know that i should  
FUCK YOU  
(chorus)
