{Adam Levine}

My life, my life

Makes me wanna run away

There's no place to go, no place to go

All the confusion

It's an illusion like a movie

Got nowhere to go

Nowhere to run and hide

No matter how hard I try

{50 Cent}

Yeah, 03, I went from back filthy to filthy rich

Man, the emotions change so I can never trust a bitch

I tried to help niggas get on, they turned around and spit

Right in my face, so Game and Buck, both can suck a dick

Now when you hear 'em it may sound like it's some other shit

Cause I'm not writing anymore, they not making hits

I'm far from perfect, there's so many lessons I done learned

If money is evil look at all the evil I done earned

I'm doing what I'm supposed to, I'm a writer, I'm a fighter

Entrepreneur, fresh out the sewer, watch me maneuver

What's it to you? The track I lace it, it's better than basic

This is my recovery, my comeback, kid

{Adam Levine}

My life, my life

Makes me wanna run away

There's no place to go, no place to go

All the confusion

It's an illusion like a movie

Got nowhere to go

Nowhere to run and hide

No matter how hard I try

{Eminem}

While you were sipping your own Kool-Aid getting your buzz heavy

I was in the fucking sheds sharpening my machete
Sipping on some of that revenge juice, getting my taste
buds ready
To whoop down this spaghetti, or should I say this
spaghett-even?
I think you fucking meatballs keep on just forgetting
Thought he was finished, motherfucker, it's only the
beginning
He's bugging again, he's straight thugging, fuck who
he's offending
He'll rip your vocal chords out and have them bitches
plugged in me
Motherfucking wall with 3000 volts of electricity
Now take the other and dump them then pluck him,
motherfuckers in each
One of your eyesockets cause I thought you might
finally fucking see
That'll teach you to go voicing your cocksucking
opinion to me
I done put my blood, my sweat and my tears in this shit
Fuck letting up, youâ€™™ re gonna end up regretting you
ever betted against me
Feels like I'mma snap any minute, yeah
It's happening again, I'm thinking about dissing
everyi»¿
mother fucker up in this bitch but 50

Cause this is all I know, this is why so hard I go
I swear to God I put my heart and soul into this more
than anybody knows
I'm trapped, so all I do is rap, but everytime I rap I'm
more trapped
And I rap myself right into this bubble, oh oh, I guess
it's bubble wrap
This is like a vicious cycle, my life's in a crisis
Christ, how was I supposed to know shit would turn up
like it did?
Feels like I'm going psycho again and I might just blow
my lid
Shit, I almost wish that I would have never made
Recovery, kid
Cause I'm running in circles with

{Adam Levine}
My life, my life
Makes me wanna run away
There's no place to go, no place to go
All the confusion
It's an illusion like a movie
Got nowhere to go
Nowhere to run and hide

No matter how hard I try

{50 Cent}

I haven't been this fucking confused since I was a kid
Sold like 40 million records, people forgot what I did
Maybe this is for me, maybe, maybe I'm supposed to
go crazy

Maybe I'll do it 3 a.m in the morning like Shady
Psycho killer, Michael Myers, I'm on fire like a lighter
Tryna say the same classic, get your ass kicked
Man crook, wrap your head up in plastic
Pussy, now pick the casket, dirt nap with the maggots
It's tragic, it's sad it's never gonna end, now we
number one again

With that frown on your face, and your heart full of hate
Accept it, respect it, this a gift God gave me like the air
in the lungs

And every fucking thing with it

{Adam Levine}

My life, my life

Makes me wanna run away

There's no place to go

No place to go

All the confusion

It's an illusion like a movie

Got nowhere to go

Nowhere to run and hide

No matter how hard I try
